

VACCINATION SAVES LIVES!

From the **17th - 21th of November 2014**, the Ministry of Health and Social Services will be vaccinating and providing other services to children under 5 years of age as part of the Maternal and Child Health Week.

Two new vaccines are being introduced to help protect your child against diarrhea and pneumonia.

VACCINATED COMMUNITIES ARE HEALTHY COMMUNITIES

Take your child to the nearest clinic, health center, mobile health point or hospital.

REMEMBER to bring along your child's health passport!
