- Of the total confirmed cases, **8877 (71.0%)** are in the 20-49 years age-brackets which constitutes the majority of the recorded cases.
- The under 5 years age group make up **305 (2.4%)** of the total cases whereas, **566 (4.5%)** are above 60 years of age.
- A total of **1488 (11.9%)** of the confirmed cases are among the 5-19 years category.

## EPIDEMIOLOGICAL SITUATION IN NAMIBIA

**Table 2: COVID-19 specimen recorded at the Laboratories, As of 22 October 2020**

VARIABLES	TOTAL
Total samples received by the Laboratory	119611
Total samples tested	113392
Total samples re-tested	6101
Total positive results	12501
Total negative results	100845
Total samples discarded	117
Invalid results	1
Total pending results	0
Indeterminant/Inconclusive	46
Suspected cases in 24 hours (excludes re-tests)	1015

- To date, **119493** tests (including **6101** re-tests) have been conducted by NIP, Path-Care, NAMDEB, UNAM and Namib Poultry laboratories.
- Since the beginning of the outbreak, **30081** contacts of confirmed cases have been identified, **76** new contacts were identified within the last 24 hours from 11 regions.
- Cumulatively, **22786** contacts have completed their monitoring period, while a total of **3038 (24.3%)** contacts of confirmed cases have tested positive.
- Today, **6299 (84.0%)** out of **7499** active contacts were monitored.

**Figure 1: Distribution of suspected and confirmed COVID-19 cases by District, 22 October 2020**

- A total of **189** trucks entered the country through various ground crossing points in the last 24 hours.
- Of these trucks, **95 (50.3%)** were heading to Khomas, **23 (12.2%)** to //Kharas while **19 (10.1%)** were heading to Erongo region.
- The remaining **52 (27.4%)** were heading to the other 8 regions.

### PUBLIC HEALTH ACTION(S)

- Online orientation held for the GO.DATA training sessions scheduled for 26-29 October 2020 country-wide.
- Announcement of new policy by government on entry requirement for travelers to Namibia.
- Training on Case management and IPC for healthcare workers is ongoing with support from the Robert Koch Institute (RKI).
- Training on Integrated Disease Surveillance Response (IDSR) is ongoing country-wide.
- Public awareness on COVID-19 prevention measures is ongoing.
- The government and developmental partners continue to prioritise continuation of essential health services

### CHALLENGES

- Lack of isolation units and facilities in the country for special cases in closed settings such as police holding cells, prisons and school hostels.
- Inadequate ICU facilities and ICU equipment at referral hospitals and high care units in the districts.

### RECOMMENDATIONS

- Establish fully equipped isolation units and facilities for identified special cases throughout the country.
- Provision of fully equipped ICU facilities at referral hospitals and high care units in the districts.

Approved
